When is the deposit and balance due?

Full pre-payment of your estimated charges are due no less than fourteen (14) days from the ceremony date.

When do we obtain the marriage license?

The courthouse is open seven days a week from 8AM to Midnight. A form of photo identification is needed for each person applying, as well as cash, money order, or credit card. You will need to have your marriage license the day of the ceremony, no exceptions. You can go the day before your wedding or up to one year prior. Our packages include luxury transportation to and from the Regional Justice Center to obtain your marriage license. You will select the day and time preferred.

Can we make substitutions or change the ceremony package or venue?

Unfortunately, the ceremony package cannot be altered or changed.

The venue can be changed based on venue availability. You are welcome to enhance your music/entertainment, floral selections, photography, and décor with our preferred partners.

When can I book a ceremony package?

You can book a ceremony anywhere from eighteen months out to one week prior to the ceremony date.

Can I receive credit for unused items from my ceremony package?

Unfortunately, you cannot receive credit for unused items from the ceremony package. Items are not transferable and unused items will be forfeit. The ceremony pricing will not be reduced if items are not used.

The Wedding Concierge will provide all instructions to the wedding party prior to the ceremony & cue the processional behind the scenes on the day of the wedding.

Questions

CEREMONY QUESTIONS Continue

Where can our wedding party get changed?

Guests, including the Bride and Groom, should get dressed and prepared in their room prior to the ceremony. Dressing rooms are not available. In some cases, arrangements can be made for a holding room for the wedding couple only.

When will our flowers be distributed?

Your Wedding Concierge will have your floral at your ceremony location. If you need your flowers earlier in the day, please make arrangements in advance.

How long is the ceremony?

The ceremony is approximately fifteen (15) minutes in length. This may be longer depending on religious traditions, readings, number of persons in the wedding party, and length of personal vows.

Can we begin the ceremony without a marriage license?

A marriage license must be present at the venue in order to begin any ceremony. Should the marriage license be forgotten, the wedding will not begin until the license has been placed in the hands of our Officiant.

What happens after the ceremony?

After your recessional, the guests will be asked to exit the ceremony venue. Your photographer may then take you, your wedding party, & immediate family (optional) back to the ceremony venue for the formal session followed by the couple's photo session.

Can we write our own vows or bring a passage or prayer?

Personal vows and/or a prayer or passage is a wonderful way to customize your ceremony and we strongly encourage it. Please note that the Officiant does not need to review personal vows.
